Research Methods and Data Science (online)

This online course is offered once a year (in parallel with the on-campus courses). The next intake is from October 20th to December 12th, 2025.

(*) New students can start the MBA program during 4 different months every year: January, April, July or October.

Thesis defenses take place twice a year (January and September). Students defend their thesis on the closest date after the completion of their last course.
